Specific Giving Opportunities

90% of the funds needed for the overall Hope Building Projects are secured! Join us to colour the remaining 10% of the picture:

Transform Lives with Chairs

Sponsor a chair for \$100 each and help others experience a sense of belonging while hearing the hope of Jesus.

Create Comfort with Carpet

Invest \$25 for a SQM of carpet and provide a warm, welcoming atmosphere that makes people feel right at home.

**To purchase, please visit

(please have your tithe number ready)**

**Alternatively, please use the bank
account number on the pledge
card**

*A home
A heart
A legacy*

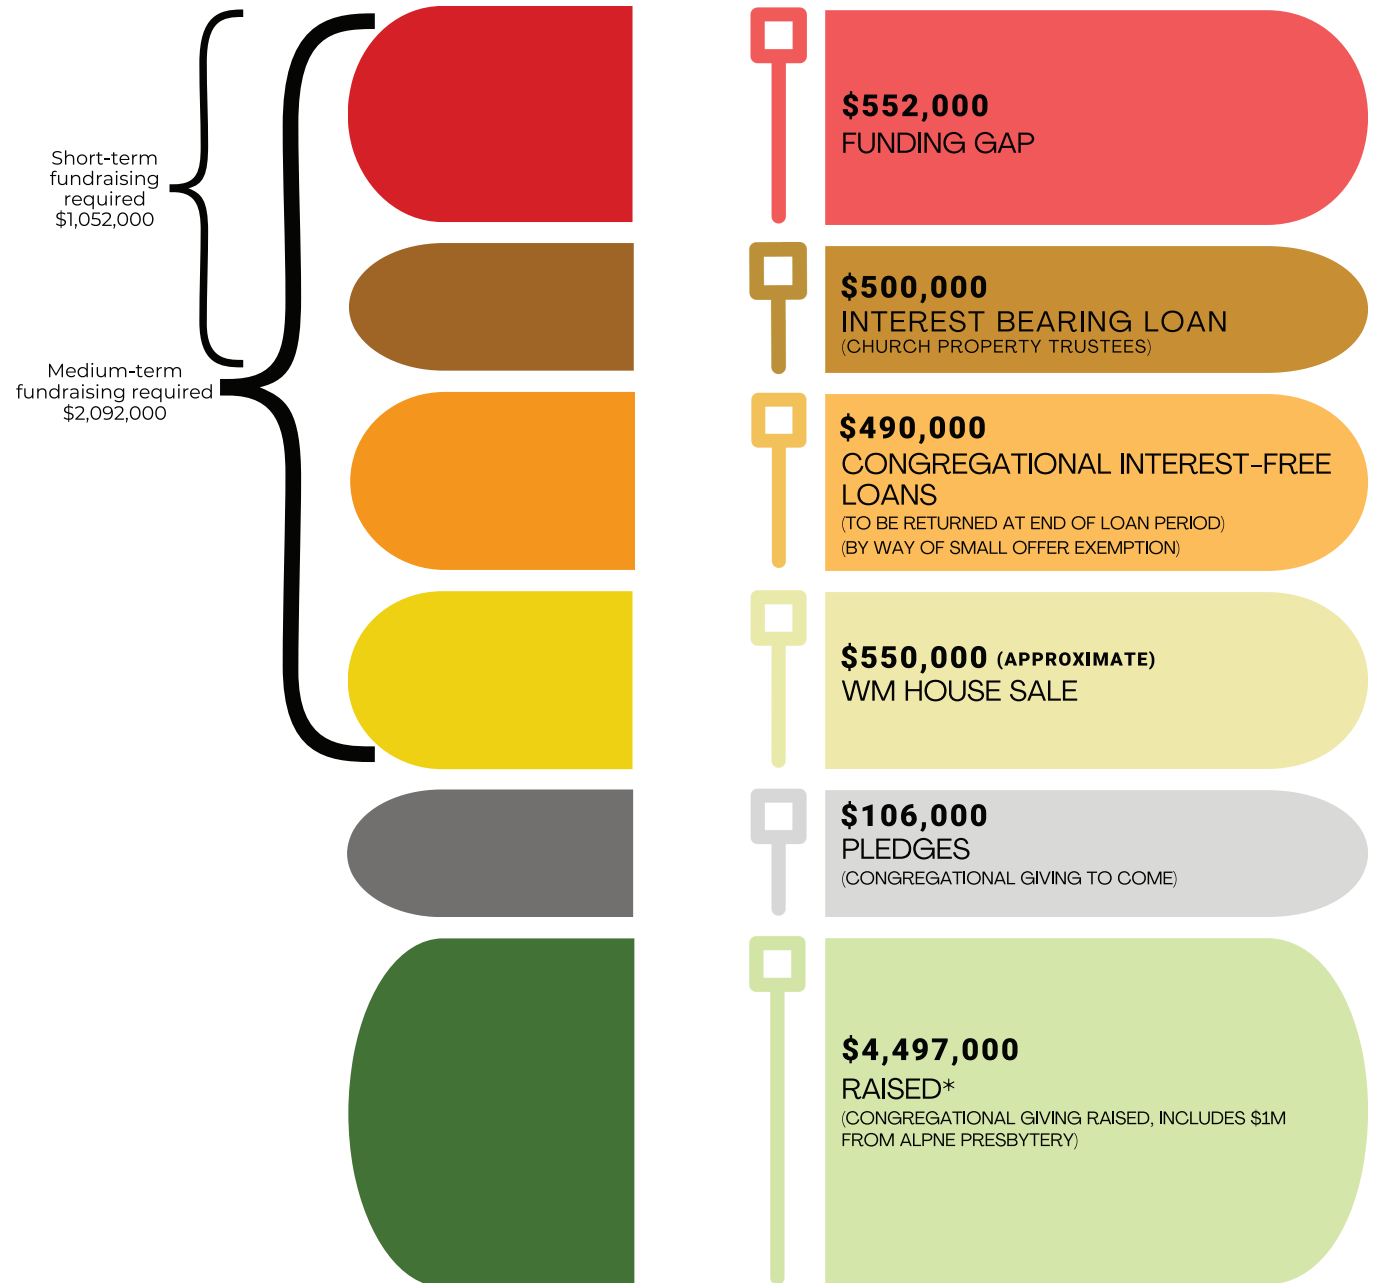

Many thanks to all of you who have made such an effort to contribute to the building project in a variety of ways. We are so excited about the progress made to date and the opportunity to witness the fruit of years of prayer, discernment, and obedience to God's will. As we come to the end of the physical building project, we first want to celebrate God's faithfulness. Our initial goal for the end of 2023 was to see all building projects fully funded excluding interest-free loans. We are 90% of the way there! We are asking for your help to meet the last 10%.

As we look to meet this goal, we are presenting two new opportunities for you to partner with us, which are highlighted within this brochure.

As you consider the way God may be calling you to support this project, remember our desire is to build a home, a heart, and a legacy for this area. We envision this new church building will be a spiritual hub for people to find a place of belonging, connection, solace, and inspiration. We want to be a church that has a physical and intentional presence – a beacon of hope for Rolleston.

\$6,695,000 TOTAL PROJECT COST
